

SUMMARY

Frontend-focused Software Engineer with 4+ years of experience delivering enterprise web applications, reusable component systems, API-integrated interfaces, and production deployments. Experienced with React / React Native, Next.js, TypeScript, and modern software development practices. Holds a **2:1 BSc in Computing** and is currently pursuing an **MSc in Interactive Digital Media**, combining strong technical experience with a focus on scalable, user-centred digital solutions.

EXPERIENCE

06/2026 - Present

IT Support Officer (VLE Specialist)

National College of Art and Design (NCAD) - Dublin, Ireland ↗

- Engineered an automated student-provisioning platform in Next.js and Python, reducing turnaround time by over 95% and enabling daily processing instead of weekly.
- Streamlined validation and generation of import-ready records from institutional source data, automating Canvas VLE provisioning through SIS imports.
- Collaborated with academic and IT teams to ensure seamless integration and user adoption of the platform.
- Provided technical support and training to staff and students, improving platform utilization and satisfaction.
- Documented system architecture and workflows to facilitate maintenance and future enhancements.

08/2023 - 05/2026

Senior Frontend Engineer

Velorona LLC - Dallas, Texas, US ↗

- Led delivery of a scalable enterprise CRM using Next.js and MUI, supporting HR and staffing workflows at 10,000+ transactions per month with sub-second load times.
- Built reusable design-system components and business modules including time tracking, payroll, invoicing, expenses, and scheduling; collaborated in Agile sprints with design, product, and backend teams.
- Improved product quality through CI/CD deployments on Vercel, Sentry monitoring, JWT-based authentication, and role-based access control; delivered 95+ Lighthouse performance scores.
- Mentored junior developers, increasing team productivity by 20%.
- Spearheaded integration of third-party APIs, reducing manual data entry by 40%.
- Conducted user feedback sessions to refine UI/UX, boosting user satisfaction scores by 15%.

05/2022 - 08/2023

Frontend Engineer

EKbana Solutions - Lalitpur, Nepal ↗

- Developed and maintained client-facing applications using **Vue 2/3 and Next.js**, including multilingual scheduling systems with complex date/time logic.
- Migrated legacy **Vue 2 to Vue 3**, introducing Composition API patterns and reusable components to improve maintainability and performance.
- Contributed to the architecture of **Basestation**, building scalable UI and state management with **Next.js, Ant Design, and Redux Toolkit**.
- Built a customizable **Twilio-powered in-app calling feature** and collaborated with cross-functional Agile teams to deliver responsive, accessible features.

01/2021 - 03/2021

Frontend Developer - Undergraduate Work Placement

S.B Solutions - Kathmandu, Nepal ↗

- Built banking and enterprise interfaces using Angular and React, developing reusable and maintainable UI components.
- Integrated frontend applications with Spring Boot APIs to support reliable backend communication.
- Collaborated with cross-functional teams through development, testing and code reviews to deliver user-focused solutions.

EDUCATION

02/2026 - Present

MSc Interactive Digital Media ↗

Griffith College Dublin

Master's Degree

Current full-time study; NFQ Level 9.

09/2019 - 10/2022

BSc (Hons) Computing - Upper Second Class Honours (2:1)

Islington College / London Metropolitan University

Bachelor's Degree

- **Relevant modules:** Software Engineering (70%), Programming, Application Development, Advanced Database Systems Development, Artificial Intelligence.
- **Final-year modules:** Advanced Database Systems Development, Application Development, Project, Artificial Intelligence, Work Related Learning II.
- **Final Year Project:** Prashna – Technical Quiz Management System (75%).

SKILLS

Frontend Development

React	Expert	Expo Router	Advanced
Next.js	Expert	React Native	Advanced
Tailwind CSS	Expert	Material UI	Advanced
HTML	Expert	Typescript	Advanced
CSS	Expert		

Backend & Databases

Express.js	Advanced	PostgreSQL	Intermediate
Prisma ORM	Advanced	REST APIs	Expert

Methodologies & Practices

Reusable component libraries	Expert	Agile delivery	Expert
Design systems	Expert		

DevOps & Tools

Sentry	Expert	Git	Expert
Vercel	Expert	CI/CD	Intermediate
